

# Farm Biodiversity Field Day

With Dr Norton

Come join us for a short field day with **Dr David Norton**, who will guide farmers through the process of assessing biodiversity, covering why should a farmer be thinking about it, and what the regulatory and market pressures are on a farmer to consider native biodiversity.

## When:

Monday, 24 May 2021  
10am to 2:30pm

## Where:

Puriri Community Hall,  
8871 Paeroa Kopu Rd.

## Schedule:

10.00am	Sign in, grab a cuppa.
10.15am	Introductions and agenda.
10.30pm	Dr Norton: What is native biodiversity and why is it important.
12.00pm	Lunch.
12.30pm	Drive/Walk and talk around the Dunlop farm.
2.00pm	Wrap up back at the shed.
2.30pm	Depart.

Please RSVP to: [ric.balfour@landcare.org.nz](mailto:ric.balfour@landcare.org.nz)

Any questions call Ric on: 027 555 3099

⚠️ Biosecurity - please arrive with clean boots to reduce the risk of spreading a disease, pest or weed.
